Bulletin #2010-006 8 – October - 2010

Subject:
Dual entry and national license competitor DNF changes

Overview:
Effective 1/1/2011, the following rule changes go into effect:

1. Replace Article 2.1.E.2.a with the following:

   a. At national rallies with concurrent regional rallies, national license holders may enter either the national rally or any of the concurrent regional rallies, but not both.

2. Replace Article 2.1.E.2.b with the following:

   b. National license holders that DNF from a national rally may, at the organizer's discretion, restart the national rally, however they will be scored as DNF. They may not enter any concurrent regional rally.

3. Replace Article 2.1.E.3.b with the following:

   b. License holder may enter standalone regional rallies, but may not earn regional points. ~~License holder may enter the 2nd (or 3rd) regional rally running concurrent with a national rally only after DNF'ing from the national rally (additional entry fee at the organizer's discretion), but again, may not score regional points.~~

Rationale:
This rule change is being made to allow national competitors that DNF from a national rally to restart that rally (for example, for seat time or sponsor exposure) and to do so without disrupting competition in any concurrent regional rallies.
